NHS England

Get involved has training, guides and a wide selection of resources available, including how to use social media to develop working relationships with patient and public partners.

NHS Wales

Get involved - Health in Wales provide links to local Health Boards and the Board of Community Health Councils in Wales.

National Voices

National Voices is a coalition of more than 190 health and social care charities in England, both large and small. Most members are patient and service user charities that aim to understand and advocate for what matters to people, and work to drive change health and care services for good.

Health Innovation Networks (HIN)

HINs are the key innovation arm of the NHS. Their role is to spread innovation across the NHS in England. They have published guidance on PPI in the digital age.

You can get in touch with the AHSN Network through the Innovation Service.

The Association of the British Pharmaceutical Industry

The Association of the British Pharmaceutical Industry aims to make the UK the best place in the world to research, develop and use new medicines and vaccines. It represents companies of all sizes who want to invest in discovering the medicines of the future.

They have produced a sourcebook to support pharmaceutical companies in working successfully and collaboratively with patients and patient organisations.
